Re: U.S. v. Julie Gillman  
07 Cr. 500 (TPG)

Dear Judge Giese:

I write to request that my above-referenced client be excused from attending the status conference in the Callock case now scheduled for January 11, 2008.

Because I believe the only subject to be discussed at the conference is scheduling and possible disposition, it does not seem a good use of limited resources to have my client travel from her home in Alliance, Ohio to New York City.

I have spoken with AUSA Jenna Dabbs who has no objection to this request.

Very truly yours,

Martin R. Stolar
